**Rita Weiss : 24-Hour Crochet Projects** before purchasing it in order to gage whether or not it would be worth my time, and all praised 24-Hour Crochet Projects:

9 of 9 people found the following review helpful. Several really cute quick projectsBy Roseanne M. There are several summer shells/tanks in this book (some of the nicest I've seen for crochet), and many hats and bags. Each project is rated with a time estimate--but I've found they take me much longer than the estimate. So I would really argue that the average crocheter could make some of these projects in 24 hours. My biggest pet peeve--books (as this one does) that list the yarn requirements in ounces, not yardage. Unless you are using the exact yarn, "16 oz" does not tell you much! 2 of 2 people found the following review helpful. Very good! Lots of patterns for your moneyBy Nan from Kansas Very good! Lots of patterns for your money. If I had any complaints, it's that the projects aren't rated by difficulty. 2 of 2 people found the following review helpful. love the hatsBy susan Eccleston I love the hat directions and have donated many for chemotherapy patients. Directions are clear but did take me more hours than listed.

Quick and easy doesn't mean boring, as this vibrant crochet guide attests. Twenty-four simple patterns, each of which can be finished in 24 hours or less, include garments, bags, and home accessories. They're easy to pick up whenever you have a few moments to spare; but they're hard to put down! You'll be amazed at what you can create in such a short time. Patterns include stylish hats, scarves, sweaters, and purses as well as afghans, doilies, and baby clothes. Full-color photos illustrate the easy-to-follow instructions, and a helpful "Refresher Course" offers diagrams of stitches and describes gauge. From a cute little sweater to a trendy scarf and a little black bag for a night on the town, these 24 patterns offer a terrific variety of projects that make great gifts and treasured keepsakes.
