It documents that many towns and small cities needed a dedicated force of solid individuals to protect their communities and standard of living. All of this is becoming forgotten today as people assume that someone will always volunteer and be there to save their behinds.0 of 0 people found the following review helpful. Interesting read.....By CCSGreat, informative and lots of photos really make this a great read.

The story of firefighting in Frederick, Maryland, is a complex tale of heroism, sacrifice, and duty that dates back to

1818. This volume describes the vital role the fire department has played in defending the city for close to two centuries. Highlighted in this work are the Independent Hose Company, Junior Fire Company, United Steam Fire Engine Company, Citizens Truck Company, Fort Detrick Fire Department, key fires, emergency medical services, and major disasters throughout the region.
