The tunes are in a good range for soprano uke if you feel like playing more than just the chords. Very difficult to read Kindle edition on most screens simply because of the size, so you might have to find a workaround.0 of 0 people found the following review helpful. Great music for beginner or intermediateBy CustomerThe music is perfect for a beginner or intermediate. There are many Christmas favorites included. The only one that I would like to have had, but is not included, is Jingle Bells. Other than that, I give it five stars.0 of 1 people found the following review helpful.
