You can feel these people, rather than gamers, really getting into the GameSpace that they are participating in. This is has new media style written all over it. I've read many of the stories multiple times. It's a fantastic collection.

Avid gamers love to recount their most exciting exploits in online play, especially their moments of greatest challenge, skill, and luck. This is a collection of fifty such War Stories from the battlefields of the Internet: Fifty accounts of valiant struggles, glorious victories, and sometimes of overwhelming defeat.
