**Steven Bukowski : Flooring Instant Answers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Flooring Instant Answers:

0 of 0 people found the following review helpful. Good Starter BookBy W. C. WrightIf you are just beginning a flooring job, or remodeling and your flooring is involved, get this book to learn the basics. This helps with terminology, methods of installation, types of flooring, etc. Even has some maintenance tips.

If you have anything at all to do with flooring, this handy, quick-reference will help you to do your job faster, easier, better, and more economically. "Flooring Instant Answers" features a no-nonsense, no fluff "problem/solution" format highlighted by 350 illustrations and just enough text to answer your questions, but not waste your time. Builders, remodelers, contractors, and even homeowners who want help in tackling tough weekend repair jobs can turn to "Flooring Instant Answers" for solid, expert coverage of: installing procedures; flooring layout formulas in a simple format; nutshell coverage of every type of floor covering; cleaning and repair methods and tricks of the trade; maintenance problems; and replace versus repair issues. Portable, simple, amazingly efficient, and packed with tables, illustrations, and photos, "Flooring Instant Answers" may well prove to be the most useful item in your tool box.
