Victoria Charles : Flowers (Mega Square) before purchasing it in order to gage whether or not it would be worth my time, and all praised Flowers (Mega Square):

Flowers are the centerpiece in the majority of pictorial still-lives. By painting their colours and forms, artists from Brueghel to Orsquo;Keeffe have created symbols for both life and mortality. Van Goghsquo;s sunflowers, Monetsquo;s water lilies and Matissersquo;s bouquets are, of course, unforgotten. Most of the works contained in Flowers are true masterpieces, which have often marked whole epochs and styles.
