This is like a brief overviewBy Carson ChenNot very useful. What I thought I bought was a detailed map of where to fish on the Truckee River. This is like a brief and poor overview of fly fishing in general. Really disappointed. Wasted my money. The title is deceiving, it is not a Truckee fly fishing river guide. It is just a map that tells you how to get there. Google maps does a better job. Don't waste your money.

Fly Fishing Truckee River is an excerpt from the larger book Fly Fishing California by Ken Hanley, available in print and ebook, covering 64 waters including small streams, large rivers, lakes, reservoirs, and coastal areas.
