**Greg Tate : Flyboy 2: The Greg Tate Reader** before purchasing it in order to gage whether or not it would be worth my time, and all praised Flyboy 2: The Greg Tate Reader:

0 of 0 people found the following review helpful. Fly on Greg Tate!By B. AuerbachAbsolutely essential addition to the library for anybody who wants to be INFORMED and informed again and again as one often returns to this material for check in and reminder about the world we live in and want to live in. About the achievements of the ancestors, ancient and recent; about the sounds and loves and desires of the creators. How about it? Fly on Greg Tate!0 of 0 people found the following review helpful. A Must ReadBy lizFantastic BookFantastic WritingOne of the year's top books !!A Must Read

Since launching his career at the Village Voice in the early 1980s Greg Tate has been one of the premiere critical voices on contemporary Black music, art, literature, film, and politics. *Flyboy 2* provides a panoramic view of the past thirty years of Tate's influential work. Whether interviewing Miles Davis or Ice Cube, reviewing an Azealia Banks mixtape or Suzan-Lori Parks's *Topdog/Underdog*, discussing visual artist Kara Walker or writer Clarence Major, or analyzing the ties between Afro-futurism, Black feminism, and social movements, Tate's resounding critical insights illustrate how race, gender, and class become manifest in American popular culture. Above all, Tate demonstrates through his signature mix of vernacular poetics and cultural theory and criticism why visionary Black artists, intellectuals, aesthetics, philosophies, and politics matter to twenty-first-century America.
