Vicki Square : Folk Hats (Folk Knitting series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Folk Hats (Folk Knitting series):

1 of 1 people found the following review helpful. Folk hats By Kindle Customer I had seen this book before, and although there are many hats in here that I probably will never make, I wanted to get the pattern for one particular hat. It met my expectations. 0 of 0 people found the following review helpful. Worth the purchase price By Customer Its a great book I bought it for the fedora pattern. Has several patterns that I plan to make. 1 of 1 people found the following review helpful. These are adorable hats By Cec The only reason I didn't give it a 5 is that I can't imagine wearing most of these. But I loved the book for its inspiration and charm. A good book for knitters.

With 30 completely original patterns for fun and functional hats, this globe-trotting collection presents clear illustrations and step-by-step instructions for knitters of all skill levels. History and folklore from the hat's country of origin accompany each project. Included are felted cowboy hats, festive hats from Cameroon and Japan, historic derbies from around Europe, a beaded cloche from Afghanistan, warm cossacks from Russia, and darling baby bonnets from Nigeria and China. Each unique topper is an item of style and of substance. The imaginative and versatile designs and range of yarns and techniques put a new spin on the standard hat pattern and reinterpret these folk classics for modern knitters.

"The history and story regarding each design is most interesting." - Knitting News "Fanciful and playful." - Bangor Daily News "This eclectic collection of original knitted designs is sure to elicit rubbernecking and about faces." - CNA

Magazine"Projects range from super simple to challenging and reflect the rich colors and textures of the world." -
Fiberline Magazine"Designer Vicki Square has taken traditional folk patterns and engineered them into inventive
knitted creations." - Creative Knitting
