Originally started buying Levin's books for grandchildren, but were so delightful, I began giving as gifts for other dog lovers and keeping an extra copy for myself. They offer a lot of joy and comfort.1 of 1 people found the following review helpful. love the book; the condition was terribleBy Kevin F. Kim Levin's Wonderful Photography!By Douglas ForbesKim always captures priceless images of our canine friends, and presents them in a thoughtful, funny and touching way. This book, like all of her others, reminds us how loving dogs are, and how much they add to our lives!

For the Love You Give celebrates the everyday give-and-take between dogs and their human companions. Kim Levin's heartwarming photographs illustrate "quotes" from dogs who state, unequivocally and with canine candor, what they will do for love. From being a loyal companion to chasing anything that moves to begging for food, the full spectrum of dog behavior that we love (and some that we just live with) is depicted in this delightful collection. For the Love You Give is an endearing, uplifting book that honors the unique bond between dogs and humans. Featuring a wide variety of dogs from full mutt to pure bred, this book reminds us that our canine friends give us unconditional love and much more.Bark Smile donates a portion of its proceeds to organizations dedicated to the humane treatment of animals.
