**From Taunton Press : In-laws, Outlaws, and Granny Flats: Your Guide to turning One House into Two Homes** before purchasing it in order to gage whether or not it would be worth my time, and all praised In-laws, Outlaws, and Granny Flats: Your Guide to turning One House into Two Homes:

In response to tight times, a remarkably upbeat and widespread change is taking place in households across America. Homeowners are creating second dwelling units often called in-law suites, mother-in-law apartments, or granny flats. Second units make a lot of sense. They're perfect for families who want several generations living close by, they enable Baby Boomers to care for elderly parents while respecting their independence, provide private quarters for adult children still at home or, rented out, second units can generate income to pay the mortgage or provide for

retirement. *In-Laws, Outlaws, and Granny Flats* is the first book to explore the many designs, uses and benefits of this time-honored and emotionally satisfying living arrangement. In-law units take many forms and they're all shown here: attic, basement and garage conversions, bump-out additions, carve-out suites, and backyard cottages. This book covers every aspect of turning one house into two homes. With more than 200 color photographs, 50 floor plans and architectural details, and a lively, personable voice, *In-laws, Outlaws, and Granny Flats* is perfect for homeowners who want richer lives and a more secure future.
