Edward Snow : Inside Bruegel: The Play of Images in Children's Games before purchasing it in order to gage whether or not it would be worth my time, and all praised Inside Bruegel: The Play of Images in Children's Games:

In this brilliant, original and lavishly illustrated book, Edward Snow undertakes an inquiry into a single painting by the Flemish master Peter Bruegel the Eldermdash;the kaleidoscopic Children's Gamesmdash;in order to unlock the secrets of the great painter's art.
