". . . a treasure of insight into the mind and heart of one of our great American performers and teachers. If the Arban book is the trumpet player's 'Bible,' then I'd have to say Inside John Haynie's Studio is the trumpet teacher's 'Bible.'"-- Ronald Romm, founder, Canadian Brass, and professor of trumpet, University of Illinois"The essays in this remarkable volume go far beyond trumpet pedagogy. . . . John's concern for educating the whole person, not just cramming for the job market, emanates from every page. This book showcases a teaching career that has become legendary."--James Scott, dean of the College of Music, University of North Texas"The principle that pervades my entire educational philosophy did not come from education or psychology classes; it did not come from the many sermons preached by my Dad and hundreds of other pulpiteers. It came from John Haynie's studio."--Douglas Smith, Mildred and Ernest Hogan Professor of Music, Southern Baptist Theological Seminary

Idquo;This wonderful collection of essays is a treasure of insight into the mind and heart of one of our great American performers and teachers. If the Arban book is the trumpet player's 'Bible,' then I'd have to say Inside John Haynie's Studio is the trumpet teacher's 'Bible.'"-- Ronald Romm, founder, Canadian Brass and Professor of Trumpet, University of Illinois "The essays in this remarkable volume go far beyond trumpet pedagogy, providing an exquisite portrait of the studio practices of one of the first full-time single-instrument wind faculty members in an American college or university setting. John's concern for educating the whole person, not just cramming for the job market, emanates from every page. This book showcases a teaching career that has become legendary."--James Scott, Dean of the College of Music, University of North Texas "The principle that pervades my entire educational philosophy did not come from education or psychology classes; it did not come from the many sermons preached by my Dad and hundreds of other pulpiteers. All hail to John Haynie and Anne Hardin."-- Ray Bradbury, author of Fahrenheit 451
