As the popularity of outdoor living spaces has grown, they have become versatile extensions of the most used interior spaces. Homeowners and designers have joined forces to create outdoor settings as comfortable and practical as interior spaces. Inside Out focuses on furniture and other traditionally indoor features such as fully equipped kitchens, fireplaces, and speaker systems. These new amenities provide all that is necessary for delightful moments at home; but outside the house. Find refreshing ideas and creative examples that will help you create a comfortable outdoor living space!
