Thanks for sharing your passions!!!By VernonAs a working

artist with my studio attached to my home; this book is a re-affirmation to develop my space back in 2005-6. The doubts and fears I had at that time were entrenched in thoughts of failure. These fears are long gone, and now I can take comfort in referring to this beautifully documented lesson in self motivation and risk taking. THANKS for sharing!!!

Take a tour of artists' studios! Whether you're looking to upgrade your own studio or just love peeking into the workplaces of successful artists, you'll find ideas and inspiration Inside the Art Studio. Culled from American Artist's popular Studios series, Inside the Art Studio takes you inside 37 private studios of fine artists around the country. You'll see how these artists: Adapt existing spaces, including living rooms, garages and barns, into working studios Design their work space to accommodate students Personalize rented studio space with storage solutions and ventilation systems Custom build ideal studios from scratch Not only will you learn from their tips and solutions and read about their experiences, you'll step inside the studios through large, detailed photographs and view the beautiful works created by many of these artists. The unique experiences of the featured artists show just some of the many paths open to any artist wishing to further develop his or her creative life, both in and out of the studio. Let their journeys inform and inspire your studio dreams!
