By Jessica Gregory  
I was a little disappointed in the presentation of the quotes... I feel like the page design could have been a little more interesting, or have the art itself take up more of the space with the quotes being more of a subtitle (like a print of the art would look), especially since the pages are perforated for the opportunity to hang them. I was also disappointed at the amount of digital artwork, as I thought most of the pieces would be more like mixed media art journal pages. Overall, the book is okay and is what it represents itself to be, I just wasn't overwhelmed with excitement and inspiration when I first flipped through it.  
7 of 8 people found the following review helpful. A delightful and inspirational book for anyone who loves quote and art books.  
By Joseph J. Truncale  
I have always loved inspirational quote books and beautiful art. Here is a fantastic book (Inspirational Quotes Illustrated: Art and words to motivate by Lesley Riley) that has combined the two subjects into one volume. The introduction explains the "story behind this book." All the rest of the book includes "Quotes and Art." Each page has a

quote interwoven into an art piece to provide the reader with a visual delight along with the quote. There is also a list of contributors and an index in this 144 page volume. One of the many things I like about this book is that most of the quotes are short and to the point. I guess this is the reason my favorite poems are in most cases short rather than long. If you are a Lesley Riley fan or love inspirational quotes and art, you should check out this wonderful book. Rating: 5 Stars. Joseph J. Truncala (Author: Haiku Moments: How to read, write and enjoy haiku). 4 of 4 people found the following review helpful. If you love art and words together . . . . By Jeane M. Parker This is a beautiful book. In fact, I was so inspired by it, I took the book apart, added additional quotes and words of wisdom I've collected over the years, and rebound it. This book is already making a difference in my studio.

"Toss in a stone and begin your own ripple of influence." --Joy Cooper Featuring more than 100 artists and 130 quotes, Lesley Riley has created the ultimate book of "quotespiration." With quotes from artists, authors, philosophers and cultural icons, there are words of wisdom to speak to everyone from every walk of life. Each quote is paired with a powerful piece of art created by artists from all backgrounds to serve as creative prompts for anyone in the need of an art-making jumpstart. You'll find digital art, collage, art-journal pages, quilt art, assemblage and much more to inspire the artist in you. "When we look at art we are looking for ourselves." --Lesley Riley Find yourself in Inspirational Quotes Illustrated. Features: Perforated pages so you can tear out and frame the art and quotes that most inspire you! Art from your favorite artists, including Bridgette Guerzon Mills, Seth Apter, Mary Beth Shaw, Pam Carriker and more! 130 quotes and beautiful art to motivate artists and non-artists alike.
