As a busy mom of two, I can rarely find a minute to myself to just cuddle up with a good book. This book allowed me to get lost in multiple stories that flow seamlessly together or just one, if I was short on time. It feels as though you are sitting with a friend telling incredible stories about people she knew, filled with little known fascinating tidbits. This book will definitely be on my holiday gift list.4 of 4 people found the following review helpful. How cool is that and why I did not know about it earlier!?By jExpertI was absolutely mesmerized by the

stories in this book. I could not help but ask myself why I did not know these awesome stories about these famous people before! This book is a great read, as the author keeps on entertaining with unique plot twists and humor. I am giving my five stars. You'll love it and will have lots of tricks up your sleeve to entertain that next conversation. 4 of 4 people found the following review helpful.
