**Australia, The Images Publishing Group Pty Ltd : International Architecture Yearbook: No. 8: No.8 (The International Architecture Yearbook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised International Architecture Yearbook: No. 8: No.8 (The International Architecture Yearbook):

The International Architecture Yearbook series is an invaluable and cutting edge resource featuring work that has been selected by a highly experienced panel of guest editors from across the world. All projects featured are illustrated with stunning photographs, informative plans and detailed text, as well as offering very helpful reviews from well-known and respected architectural writers and critics. It has also been divided into project type for easy reference, then broken down alphabetically by each project, making this a hugely accessible and exciting reference work.
