Christopher Kul-Want : Introducing Aesthetics: A Graphic Guide (Introducing...) before purchasing it in order to gauge whether or not it would be worth my time, and all praised [Introducing Aesthetics: A Graphic Guide \(Introducing...\)](#):

0 of 0 people found the following review helpful. Good whirlwind tourBy CustomerGood broad coverage. Nice summaries. Good visuals. Plenty of ideas for things to explore. A nice open ended introduction. Recommend.1 of 1 people found the following review helpful. Clear and conciseBy TurboWhat I like about these series of books I is that people who write them cut the "professional" jargon and get straight to the point.Then, one can use the bibliography to delve further into the subject being addressed.5 of 6 people found the following review helpful. being aestheticalBy Joel BjorlingWith a background in music and art, I was drawn to aesthetics. It's a philosophical rationale for these lavish obsessions. Aesthetics is a philosophy of the senses and sensual experience. It's about what "wows" us and why.

To me, it's not just about art and literature but about whatever we like or find pleasing. It also has to do with awe, which is the basis of spiritual experience. This series of books are in a cartoon format, but they explain the basics of their respective topics (i.e. ethics, quantum theory, economics, etc). For whatever field, these books are a great, entertaining way to start.

What is beauty, and what is truth? These are some of the questions which aesthetics tries to answer. In our everyday life, we talk about the 'aesthetics' of an artwork or a piece of design. But aesthetics goes beyond the simple experience of art. It is also a branch of philosophy concerned with the whole nature of experience itself, explored through our perceptions, feelings and emotions.

About the Author Christopher Kul-Want: Christopher Kul-Want is Course Director of the MA in Fine Art at Byam Shaw School of Art, London. Piero Pieroni is an illustrator, artist, and graphic designer whose work has twice been included in the Royal College of Art in London. He has illustrated many titles.
