From Geneva Press : Introducing Glory to God before purchasing it in order to gauge whether or not it would be worth my time, and all praised Introducing Glory to God:

0 of 1 people found the following review helpful. Essential Resource for Presbyterians Planning to use the New Hymnal By Carroll Excellent reading for Presbyterian clergy, ruling elders, worship committees and anyone else interested in promoting and using the new hymnal within the PC(USA) denomination. Probably an excellent resource for seminarians preparing to lead congregations in the future. 0 of 1 people found the following review helpful. Enjoyed reading how the hymnal was conceived and published By Beverly A. Booher Enjoyed reading how the hymnal

was conceived and published. It was especially nice to have met Mary Louise Bringle in Fort Worth at one of the meetings to introduce the hymnal. 0 of 1 people found the following review helpful. Never Too Old to Learn By Michael A Helps you understand the hymn selection process. Reminds us that all our "old favorites" were once the "new music"!

A hymnal is a vital resource to a church. It teaches every congregant about the faith and what your church believes. This collection offers a useful guide to the new Glory to God hymnal. For those who have already adopted Glory to God, this book will inform congregants all about their new resource. For those still deciding, it provides the information needed to make that determination. Ten essays explore why a new hymnal was produced; the challenges of creating a new hymnal; the theology, liturgy, language, and musical genres in Glory to God; and ideas for introducing Glory to God to your church. Two appendices offer fifteen essential facts about Glory to God and suggestions for what to do with old hymnals replaced by Glory to God.
