**Debbie Bowman Shea : Irish Butte (Images of America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Irish Butte (Images of America):

0 of 0 people found the following review helpful. Butte's history is steeped in Irish immigrants.By Teresa KarstGreat pictures and descriptions of historic Butte and life in this infamous mining town. My Irish/Scottish Grandmother grew up here in the 1920's and 30's and it is priceless to be able to see what she experienced. I would have liked maps showing the streets and businesses mentioned.0 of 0 people found the following review helpful. It was a terrific book. I was delighted to see a picture ...By Bill SullivanIt was a terrific book. I was delighted to see a picture of my Grandfather. I only wish she had more information on the pictures.0 of 0 people found the following review helpful. Five StarsBy edward flowersgot a book on montana roed sines

Summoned by the call of the copper mines in Butte, Montana, Irish immigrants left a struggling Ireland at the

beginning of the 20th century in search of a better life. Around the mines peppering the hills of the mining city, these determined sons and daughters of Eire built strong Irish neighborhoods that engendered the best of Irish culture and influence. Faith, family, a strong work ethic, and a sense of humor would see these immigrants through the decades. Celebrations like St. Patrick's Day and An Ri Ra, Irish language workshops, and a new generation of Irish artisans acknowledge the contributions of this influential group.

About the Author This compendium of vintage imagery, based on the treasured photographs and stories held by descendants of those early settlers, depicts the extraordinary lives and determined spirit of the Butte Irish. Tapping these sources, along with the Silver Bow Archives and the World Museum of Mining, former history teacher, genealogy buff, and lifelong Butte resident Debbie Bowman Shea weaves a compelling text, immortalizing some of Butte's most significant and tenacious pioneers.
