Arthur Flynn : Irish Dance before purchasing it in order to gauge whether or not it would be worth my time, and all praised Irish Dance:

0 of 0 people found the following review helpful. dance story By R. Hamblin I ordered this book expecting to see a list of dances with instructions. That's what I wanted...the instructions. Instead I got a story book with nice little watercolor paintings in it. I was vastly disappointed. 21 of 22 people found the following review helpful. nice By A Customer I thought that this book was very interesting, although frustrating because there were no pictures, only illustrations. The best part of this book was the last chapter, in which a step by step instruction shows how to do several moves in the Irish Jig. This book is a must for anyone new to the world of Irish Dancing because it gives an overview of the history, future, origins, costumes, etc. of Irish Dancing. 9 of 9 people found the following review

helpful. Unreliable, Sparsely Located Information
By E. Venable
This, a very frustrating book, links factual information with "myth". His apparent knowledge of the competitive system is quite limited. No sources are given, and there is very little information that is specific enough to check. Perhaps a good source for a child's report.

This book traces the history of dance in Ireland, with chapters on music, dance costumes, competitions, and the phenomenal revival. There are instructions and illustrated steps to two elementary dances.

About the Author
Arthur Flynn is a Pelican Publishing author.
