Maria Peitcheva : J. M. W. Turner Drawings: Colour Plates before purchasing it in order to gage whether or not it would be worth my time, and all praised J. M. W. Turner Drawings: Colour Plates:

Joseph Mallord William Turner was English painter, one of the greatest and most original of all landscape painters. Turner was considered a controversial figure in his day, but is now regarded as the artist who elevated landscape painting to an eminence rivalling history painting. Although renowned for his oil paintings, Turner is also one of the greatest masters of British watercolor landscape painting. He is commonly known as "the painter of light" and his

work is regarded as a Romantic preface to Impressionism.
