Huish : Japan And Its Art (Kegan Paul Japan Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Japan And Its Art (Kegan Paul Japan Library):

Originally published in 1892 by the Fine Art Society in London and simultaneously in Yokohama, Shanghai, and Hong Kong, this book shows the context and growing interest in the arts and crafts of this newly discovered burgeoning country with such artistry central to its everyday life. The work looks at every aspect of Japanese art and

looks at its relation to Japanese culture and society.
