**From Dover Publications : Japanese Animal and Floral Crest Designs (Dover Pictorial Archive)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Japanese Animal and Floral Crest Designs (Dover Pictorial Archive):

0 of 0 people found the following review helpful. Cool picturesBy T J Dezauche JrThe mons in this book are really great. There is a wide variety of very I treating designs. My only complaint is that there is no information about where the mons came from or what kind of symbolic meaning they might have.11 of 12 people found the following review helpful. Great design for many usesBy Joanna RobertsThis book has many small designs which can be tranfered to jewelry, stamping, graphics, etc. I have used some to design business cards. The price is reasonable and well worth it. I love small designs and this book if full of them. They transfer to polymer clay also, if you use a non-inkjet printer. I have found several uses for the designs in this book and highly recommend it. I also bought one for my Daughter, who is a jewelry artist. go to leighkeenan.com 0 of 0 people found the following review helpful. Great family crests. By ShannaUBought book to get a picture of my family crest. Looked through book and found it. Recommended for those

who wants to find their family crest.

Soaring birds and scuttling crabs, preening peacocks, luxuriant blossoms, and winged dragons mdash; this invaluable treasury abounds in exotic motifs. Drawn from traditional Japanese family crests, these 1,160 black-and-white patterns, symbols, and decorative devices span a tremendous variety of styles, from utter simplicity to florid majesty. Designers, crafters, and hobbyists will find this easy-to-use volume a practical companion. Whether as a convenient collection of unusual and striking graphics, or as a starting point for design inspiration, this compilation assures users of a constant source of timeless beauty.
