Andreas Marks : Japanese Woodblock Prints: Artists, Publishers and Masterworks: 1680 - 1900 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Japanese Woodblock Prints: Artists, Publishers and Masterworks: 1680 - 1900:

0 of 0 people found the following review helpful. Great book on Japanese prints. By JimStunning book. The prints inside are very high quality, I was tempted to cut them out of the book! Well organized and goes into good detail about the artists. 0 of 0 people found the following review helpful. Five Stars By dlh Good reference book. 0 of 0 people found the following review helpful. Four Stars By rob Interesting emphasis on the importance of the publisher.

Japanese woodblock prints, or ukiyo-e, are the most recognizable Japanese art form. Their massive popularity has spread from Japan to be embraced by a worldwide audience. Covering the period from the beginning of the Japanese

woodblock print in the 1680s until the year 1900, *Japanese Woodblock Prints* provides a detailed survey of all the famous ukiyo-e artists, along with over 500 full color prints. Unlike previous examinations of this art form, *Japanese Woodblock Prints* includes detailed histories of the publishers of woodblock prints—who were often the driving force determining which prints, and therefore which artists, would make it into mass circulation for a chance at critical and popular success. Invaluable as a guide for ukiyo-e enthusiasts looking for detailed information about their favorite Japanese woodblock print artists and prints, it is also an ideal introduction for newcomers to the world of the woodblock print. This lavishly illustrated book will be a valued addition to the libraries of scholars, as well as the general art enthusiast.
