**Hal Leonard : Jazz Favorites for Easy Guitar: Easy Guitar with Notes Tab** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jazz Favorites for Easy Guitar: Easy Guitar with Notes Tab:

7 of 7 people found the following review helpful. The title says it all...By D. AllenI have several (nay; many...) books and methods on the subject of chord/melody. Each excellent, in it's own way, but mostly (nay; all..!) far too advanced for an old fumble-fingers such as myself. The present tome attracted me by it's title: 'Jazz Favourites for Easy Guitar', and is exactly what it purports to be. The 'jazz' standards contained therein are, indeed, amongst my favourites, so the melodies are already familiar to me. 'Easy' guitar is true, too, but the arrangements are nevertheless well thought out, interesting and musical to play, without being overly technical for execution by relative beginners. For those unable to read music notation yet, the 'tab' is a help; the notation complements this with the information required for a delicate rendering of accents, correct timing, liaisons etc.Of my collection, this is the one that gets the most usage; I have the

spiral-bound 'pro' version, which lies flat before me without breaking the spine. Recommended for those not quite ready for Joe Pass transcriptions, but wishing to improve whilst obtaining a satisfactory result. It works for me.0 of 0 people found the following review helpful. Needless to say the best thing with any genre is practiceBy tnI always find most of the "easy guitar" books helpful and give me an added dimension to my playing without overwhelming me. Needless to say the best thing with any genre is practice, practice, practice.1 of 1 people found the following review helpful. Good book for the beginnerBy Nancy TaitGood book for the beginner, or an older person with arthritis. (Wish all the songs were in my key, however.)

(Easy Guitar). A great collection of 60 jazz standards arranged especially for beginning-level guitarists. Songs include: All the Things You Are \* Cherokee (Indian Love Song) \* Fly Me to the Moon \* Harlem Nocturne \* I Hear a Rhapsody \* Imagination \* Is You Is, or Is You Ain't (Ma' Baby) \* Moon River \* The Nearness of You \* A Nightingale Sang in Berkeley Square \* Polka Dots and Moonbeams \* Stardust \* Stormy Weather (Keeps Rainin' All the Time) \* When Sunny Gets Blue \* and more.

About the AuthorFounded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time.
