There are definite challenges here if I wanted to have a polished performance. Two numbers just blew me by their beauty: Coventry Carol and Silent Night. My audience of one will be playing these repeatedly. I will enjoy playing all the others without the pressure of getting performance ready. 0 of 0 people found the following review helpful. These arrangements were inspired by Bill Cunliffe's CD *That Time of Year*, containing freely improvised jazz interpretations of ageless carols. The music is filled with many influences---from bebop and swing to Baroque music, Impressionism, and modern jazz. Titles: * Angels from the Realms of Glory * Coventry Carol * God Rest Ye Merry, Gentlemen * Jingle Bells * Silent Night * Ukrainian Bell Carol * We Three Kings
