Hal Leonard Corp. : Jazzy Christmas (Beginning Solo Guitar) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jazzy Christmas (Beginning Solo Guitar):

0 of 0 people found the following review helpful. Five StarsBy tnGreat for beginners and for those in a hurry to learn some new tunes,0 of 0 people found the following review helpful. Nice Holiday fun for novice guitaristBy M. KeislingI shopped hard online before selecting a book of Christmas music. This book was the one I decided on and I'm glad I did. All the classic songs we all know, and a few more that are not classic/standards, but good all the same. The arrangements are done to allow a beginner/novice player to play and enjoy. This book includes Jose Feliciano's Feliz Navidad, which many others did not, and this was a selling point for me also. It may ne 12/27 now, but buy this book now and play the songs through the year to be a master at next year's Christmas parties.0 of 0 people found the following review helpful. Christmas ClassicsBy Tom RussellI found that this book was just what I wanted. I like to sing with my family and use my guitar to accompany our singing. I'm a singer first and a guitar player second, that is

why I like the "Hal Leonard" easy guitar series of books. The Book was just like what the editorial review depicted. I found the songs were easy to play. No bar chords are used. All chords are displayed at the top of the bar lines with the names and finger positions.

(Beginning Solo Guitar). The songs in this beginning solo guitar book are arranged in "chord-melody" style. Each solo combines melody and harmony in one full-sounding arrangement that can be played with a pick or fingers by beginning players. 15 holiday songs are presented in a jazz style, with tab and lyrics: Christmas Time Is Here * Happy Holiday * I'll Be Home for Christmas * Let It Snow! Let It Snow! Let It Snow! * My Favorite Things * Silver Bells * Sleigh Ride * White Christmas * and more.

About the AuthorFounded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.
