This is an awesome easy to use guideBy CustomerThis is an awesome easy to use guide. I bought it for my 15 yrs old and he is playing his heart out.1 of 1 people found the following review helpful. Suggest book from my daughter's guitar teacherBy KCROBMy eight year old is taking private guitar lessons. Her teacher suggested this book and enjoys using it for her beginner students. I don't play, but my daughter has informed me that this book is much easier to understand than original book we bought her.

Well-respected educator and best-selling author Jerry Snyder has put together the most versatile guitar method available. This comprehensive method for classroom or individual study comes in two sections: the first section teaches chords and accompaniment, while the second teaches note reading. This flexible method allows you to start with either section or use both sections simultaneously. Includes 58 songs and progressions for accompaniment, 26 songs for learning how to read music, 25 accompaniment patterns, fingerstyle and pickstyle techniques, and all basic chords and keys. 96 pages.
