Jerry Yarnell : Jerry Yarnell's Landscape Painting Secrets before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jerry Yarnell's Landscape Painting Secrets:

4 of 4 people found the following review helpful. I love Jerry's books. By Tibbiegreat information, very well done book. Concise, and lots of demonstrations. I like that Jerry explains things in clear and easy to understand ways. He is not trying to impress or "show everyone" how much he knows. Thanks Jerry. 0 of 0 people found the following review helpful. Great book. By reviewerThe book is very good. Jerry Yarnell does an excellent job of explaining the painting techniques. There are plenty of step-by-step pictures with well written description of colors and brush technique. There are many books about painting on the market; this one is one of the best. 1 of 1 people found the following review helpful. ... Jerry Yarnell's TV shows for several months and have enjoyed them so much that I wanted one of his ... By Mary A. DavisI have been watching Jerry Yarnell's TV shows for several months and have enjoyed them so much that I wanted one of his books. It was full of valuable painting tips. It helped on type of brushes and their purpose. I would

like to have a copy of all his books. I like his style of painting.

Let Jerry teach you how to Master Landscapes You can master landscape painting with the help of popular painter Jerry Yarnell. In Landscape Painting Secrets, Jerry explores the different areas of landscape painting that often create problems for beginning and intermediate artists. All of the major landscape elements are covered—from rocks, dirt roads and grass to still and moving water to atmospheric conditions like rainbows, falling snow, storm clouds and lightning. Dozens of thumbnail studies break each element down step by step with clear instructions and photographs so no stroke is uncertain. These individual studies let you practice and explore new techniques without the worry of ruining a complete painting. Once you've mastered the techniques, Jerry will help you apply what you've learned in three complete landscape scenes that include detailed instructions and photographs. Grab your paints and brushes and get started today!
