It cannot be read electronically while being played (at least not on an iPad III). The music images fill less than half the screen and if zoomed to be large enough to read, cannot be changed to the next page without closing the image, moving to the next page, and zooming to enlarge again. Very cumbersome. Attempts to print out the music resulted in very poor quality pages that could not be easily read. I cannot comment on the musical value because it was too hard to read while playing.

One of the most lyrical and beautiful piece of music in classical music it is from Johann Sebastian Bach's cantata Herz und Mund und Tat und Leben composed in 1716. It has been featured in many films like Runaway Bride and is often performed at weddings and at Christmas time. Sheet Music for Cello accompanied by Piano arranged by Lars Christian Lundholm.
