Johann Sebastian Bach, Allan Small : Jesu, Joy of Man's Desiring: Intermediate Piano Solo (Simply Classics Solos) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jesu, Joy of Man's Desiring: Intermediate Piano Solo (Simply Classics Solos):

By EinsteinenThe arrangement is easy enough for a amateur of limited skill to play, but the harmonic richness of Bach's conception seems to lose something by being thus stripped down. This is not the thrilling sound of the Myra Hess arrangement, used by Dinu Lipatti, for one. But that one requires a bit more effort, and a good sized reach of each hand.1 of 1 people found the following review helpful. High Quality Sheet Music, not so great shipping. By TamrielThis was a selection for my 10 year old daughter who has been playing piano now for 3 years. The black

music print on the inside is crisp and easy to read. The paperweight, while not cardstock, is still of heavy weight and relatively stiff. This will last for years to come as we have younger children who will take lessons in the future. While not an issue with the printer, the product was shipped without any support (meaning, no sheet of stiff board or cardboard with it that would have kept it from being wrinkled). We put it underneath a couple heavy dictionaries for a couple weeks and the wrinkles were pretty smoothed out. I won't ding any stars for the product. I will instead leave feedback for 's shipping. I will buy again. 0 of 0 people found the following review helpful. Absolutely gorgeous piece of music and Alfred's sheet music and interpretations are the best! Bach for life By Hanna Oswald The same deal happened to me as previously stated, the sheet music came wrinkled and torn but was not worth sending back because it's only \$4. Absolutely gorgeous piece of music and Alfred's sheet music and interpretations are the best! Bach for life!

This masterwork by J. S. Bach has been skillfully adapted for the growing pianist by Allan Small, but still retains the essential beauty and style of the original work. The solos in the Simply Classics series are the perfect repertoire for elementary- to intermediate-level students, allowing them to enjoy the timeless classics of the masters at an earlier stage in their musical development.
