1 of 1 people found the following review helpful. Wanting to know!By Paula KelchI want to learn how to play the entire Rock Opera before I die. I've been listening to this musical for 42 years starting with the original vinyl albums! I don't know how to play the piano but I will learn. This is the most significant life changing event in my life. I'm so sad to say I never was able to see Ted Neely perform this wonderful musical!0 of 0 people found the following review helpful.
