Jethro Tull : Jethro Tull Guitar Anthology Songbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jethro Tull Guitar Anthology Songbook:

5 of 5 people found the following review helpful. All the right songs
By DJAs a life long Jethro Tull fan and a recent guitar hacker, I really loved this book. It has music and tabs (even if you can only read tabs, you should get the idea of the tempos from the music.) I know you can get a lot of free tabs for the band's music but there are two compelling reasons why this book is a good investment: 1) Most tab sights do not tab out the all the solos the Anderson and company incorporate. For example I can find lots of tabs and chord progressions for Locomotive Breath, but not so easy to find the piano/guitar duet in the intro which may be the most beautiful and challenging part of the song. It's all here! 2) Karma, this is copyrighted materials and the artists should get their due. There is one thing you should know, however. This is a GUITAR book, which means that all the songs, all the solos (whether they were performed by flute or piano) are arranged for a guitar player. So if you are looking to play said duet with your piano buddy, it will take a

bit of time to figure out who is to play which part, and they will have to infer their bass clef part from the chord progression (a slight fake.) But this is a great book for the guitar!1 of 1 people found the following review helpful. Jethro Tull is one of my favorite bands so I thought it would be pretty cool ...By S.M.I bought this for my daughter, who is learning to play guitar. My son plays flute and bass and I'd already gotten him the Tull book for flute. Jethro Tull is one of my favorite bands so I thought it would be pretty cool to learn some of their songs to play with my kids. From what I can tell, this book looks very well done. The song selection is pretty good; there are some I wish were included but Tull has a huge library and you can't have them all, I guess. Time to play!0 of 0 people found the following review helpful. Five StarsBy Tim Murrayexcellent

(Recorded Version (Guitar)). Ian Anderson and crew have sold more than 60 million albums. Here are guitar transcriptions of 19 of the finest from these British rock legends: Aqualung * Bungle in the Jungle * Cross-Eyed Mary * Life Is a Long Song * Living in the Past * Locomotive Breath * Minstrel in the Gallery * New Day Yesterday * Nothing Is Easy * Passion Play Edit #8 * Skating Away (On the Thin Ice of a New Day) * Sossity, You're a Woman * Sweet Dream * Teacher * Thick As a Brick * To Cry You a Song * Too Old to Rock 'N Roll (Too Young to Die) * The Whistler * The Witch's Promise.
