Jimi Hendrix : Jimi Hendrix - Winterland (Highlights) (Guitar Recorded Versions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jimi Hendrix - Winterland (Highlights) (Guitar Recorded Versions):

1 of 1 people found the following review helpful. Great tab for live versionsBy Terence A. EchterlingHendrix was a master of improving variations on the recorded versions of his songs and this contains a great selections of his hits and the standards he incorporated into his live sets. The transcription 'Like a Rolling Stone' is especially interesting both for his interpretation of Dylan and as a song not recorded in the studio but important to his musical philosophy.2 of 2 people found the following review helpful. Very detailed and accurate.By Conraddddd21When I ordered this book I expected nothing less from Hal Leonard than a detailed and incredibly accurate transcription of Hendrix's Winterland Album. The only thing that I could complain about is that it is just the transcription of album tracks. If you go on YouTube and type f.e. "Hendrix Winterland Hey Joe" you will find a version with a great intro and a sort of intro jam

that I hoped to get a transcription of. This book DOES NOT contain what's not on the album.

(Guitar Recorded Versions). This folio transcribes every note played by Hendrix on 11 songs from live recordings of his performances at San Francisco's Winterland Ballroom in 1968. If you're a true student of Hendrix, you need to study these transcriptions to understand and appreciate his genius! Songs: Are You Experienced? * Fire * Foxey Lady * Hear My Train a Comin' (Get My Heart Back Together) * Hey Joe * Like a Rolling Stone * Little Wing * Manic Depression * Purple Haze * Sunshine of Your Love * Voodoo Child (Slight Return).
