**Nolan Porterfield : JIMMIE RODGERS:LIFE TIME: The Life and Times of America's Blue Yodeler (Music in American Life)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised JIMMIE RODGERS:LIFE TIME: The Life and Times of America's Blue Yodeler (Music in American Life):

1 of 1 people found the following review helpful. He just doesn't seem to get the kind of attention that others get and

his story is a good (thought sad) one to know  
By Rose I'm a huge Jimmie Rodgers fan and had been looking for a book on Jimmie's life for a long time. He just doesn't seem to get the kind of attention that others get and his story is a good (thought sad) one to know.  
1 of 1 people found the following review helpful. Yo-de layeeee ooooooooo! By  
breathesagain One of my all time favorites. Well written by a Jimmie Rodgers fan.  
1 of 1 people found the following review helpful. Five Stars  
By S. Meyers An excellent transaction. Item as described and better. Very quick shipping.

Jimmie Rodgers (1897-1933), the first performer elected to the Country Music Hall of Fame, was a folk hero in his own lifetime and has been idolized by fans and emulated by performers ever since. His life story has been particularly susceptible to romanticizing, marked as it was by humble origins, sudden success and fame, and an early death from tuberculosis. Nolan Porterfield's biography banishes the rumors and myths that have long shrouded the Blue Yodeler's life story. Unlike previous writings about Rodgers, Porterfield's book derives from extensive and detailed research into original sources: private letters, personal interviews, court records, and newspaper accounts. Jimmie Rodgers significantly expands and alters our knowledge of the entertainer's life and career, explaining the nature of his role in American culture of the Depression era and providing insightful background on the milieu in which he worked. Porterfield writes a preface for this edition.

"I have read Nolan Porterfield's book six times, and it gets better every time." -- Hank Snow  
"Will surely remain the definitive biography of Jimmie Rodgers." -- Journal of Country Music
