Was happy to see them available on kindle. Was totally dissatisfied upon opening the kindle app to find that only the text on the title pages is great but the text of the actual tablature is unreadable. The tablature can not be affected by enlarging or clear text. It is very small print and when enlarged it just becomes more unreadable. I have a windows 8 operating system.2 of 2 people found the following review helpful. Great Music but This Version Cannot Be Read on Many Mobile DevicesBy BoydJoe Bonnamassa has truly great music in this product. Sadly, however, the method used to digitize the music sheets makes them impossible to read on most mobile devices without the use of a magnifying glass. I tried it on both my 10 inch netbook and my 8 inch tablet using kindle pc with same result. I could not read the music sheets. This product is suitable for viewing ONLY on large screen laptops or large desktop monitors.1 of 1 people found the following review

helpful. A learning experience By Mark L. Feldman, Ph.D. This collection of musical scores further highlights the talent and artistry of Joe Bonamassa. It may also be the only place where you can see the full musical score of Sloe Gin, his outstanding masterpiece. Getting a glimpse into how the Sloe Gin solo and the outro were constructed and how the entire piece fits together is worth the price of the whole book. Every musician interested in blues, rock and unique musical styling will benefit from the insights this collection offers.

(Play It Like It Is). Artist-approved, note-for-note guitar transcriptions in standard notation and tab for a dozen of the best from this formidable blues rocker. Includes: Asking Around for You * The Ballad of John Henry * Ballpeen Hammer * Black Night * Bridge to Better Days * Dirt in My Pocket * The Great Flood * Last Kiss * Lonesome Road Blues * One of These Days * Sloe Gin * So Many Roads, So Many Trains.
