**John Coltrane : John Coltrane - Omnibook - E-Flat Instruments** before purchasing it in order to gage whether or not it would be worth my time, and all praised John Coltrane - Omnibook - E-Flat Instruments:

0 of 0 people found the following review helpful. Thanks for publishing this; excellent Coltrane transcriptions for alto  
By Kenneth Calhoun  
It's great to finally have classics like "Giant Steps" transcribed for alto. The author did a very professional job in transcribing these accurately; highly recommended both for us alto players and for anyone wanting to study legendary sax music at it's best. Thanks to those involved in producing this, it's a great reference for any alto jazz sax player to study and learn from.
