I would have loved a CD to sing and strum along to as I did not know many of the songs. I love John Mayer but I think that I need to complete a couple of more beginner books before takling this one.

Has a very good selection of songs. I was hoping when I got it there would be some tablature, if that's what you're looking for it's not in here. BUT the songs offer a pared down version of some of the best of Mayer. I recommend it if you're looking to be able to strum out some awesome songs.

(Ukulele). The Strum Sing series provides an unplugged and pared-down approach just the chords lyrics with nothing fancy so you can strum along. Here are easy-to-play ukulele/vocal arrangements of two dozen top tunes from John

Mayer: Back to You * Clarity * Comfortable * Daughters * Gravity * Half of My Heart * Love Soon * My Stupid Mouth * Neon * No Such Thing * Say * Slow Dancing in a Burning Room * Victoria * Vultures * Waiting on the World to Change * Who Says * Why Georgia * Your Body Is a Wonderland * and more!
