From Routledge : John Osborne: A Casebook (Casebooks on Modern Dramatists) before purchasing it in order to gage whether or not it would be worth my time, and all praised John Osborne: A Casebook (Casebooks on Modern Dramatists):

For British playwright, John Osborne, there are no brave causes; only people who muddle through life, who hurt, and

are often hurt in return. This study deals with Osborne's complete oeuvre and critically examines its form and technique; the function of the gaze; its construction of gender; and the relationship between Osborne's life and work. Gilleman has also traced the evolution of Osborne's reception by turning to critical reviews at the beginning of each chapter.
