The definitive and ultimateBy MermaidMorriganThis is the definitive book for teaching and learning how to play the piano. No other brand of book is needed!0 of 0 people found the following review helpful. So glad I found themBy Dale MeltonI studied these when

I was young, but had lost them and wanted to replace them. So glad I found them!Thanks

(Willis). The Modern Course series provides a clear and complete foundation in the study of the piano that enables the student to think and feel musically. It may be preceded by the Teaching Little Fingers to Play series. Proceeds in all directions from the point of advancement reached at the end of the Third Grade book with particular emphasis given to style.
