Good method book and I am an older person learning to play piano. 1 of 1 people found the following review helpful. it's a good quality instruction book By SCit's a good quality instruction book. i bought it to replace one i already had. At one time, i took piano lessons and used this book. After me, two of my kids used it and by the time my third child got to it, it was looking tattered and used. I bought this to replace the old issue. The pieces are timeless classics. 5 of 5 people found the following review helpful. John Thompson is an Excellent Piano Series By charlotteI teach Piano and find the John Thompson program to be excellent

for development of Musicianship...Once a Student finishes an elementary beginner book I put them in the Grade 1 Book of the Thompson Series, and they are off on an exciting Musical journey! I highly recommend it!

(Willis). The Modern Course series provides a clear and complete foundation in the study of the piano that enables the student to think and feel musically. It may be preceded by the Teaching Little Fingers to Play series.
