John W. Schaum : John W. Schaum Piano Course: A-The Red Book : Leading to Mastery of the Instrument
before purchasing it in order to gage whether or not it would be worth my time, and all praised John W. Schaum Piano Course: A-The Red Book : Leading to Mastery of the Instrument:

4 of 4 people found the following review helpful. GREAT For Piano Beginners!By Stephen BassetteI used this during piano lessons when I was a kid and I'm so glad I was able to buy this again. The songs are fun to play and melodic to listen to. The music theory lessons weaved throughout are also very basic and easy to understand, even for someone in 1st grade. If you have a child using this book, you may even hear them playing songs you recognize after not too long, like simplified versions of "Jingle Bells" and "Ode to Joy." Start 'em while they're young, and they'll remember how to play these songs for the rest of their lives. Totally worth the \$5.00 or whatever, if you ask me.1 of 1 people found the
