Pat Long : The History of the NME: High times and low lives at the world's most famous music magazine before purchasing it in order to gauge whether or not it would be worth my time, and all praised The History of the NME: High times and low lives at the world's most famous music magazine:

0 of 0 people found the following review helpful. A good read, certainly made me want to get back into writing about

music. By Grant Muir A good read, certainly made me want to get back into writing about music. I feel a few more personal anecdotes from the writers would have been good less focus on the circulation figures. 0 of 0 people found the following review helpful. Five Stars By Darren Davis 10/10. 0 of 2 people found the following review helpful. Another Great Book from By John S. King An excellent source of information on what I consider to be one of the most respected music publications in the world

The NME mattered to all those generations who grew up with music at the centre of their universe. The NME never had a truer chronicler than Pat Long. Tony Parsons Since it was founded in 1952, the New Musical Express has played a central part in the British love affair with pop music. Snotty, confrontational, enthusiastic, sarcastic: the NME landing on the doormat every Wednesday was the high point of any music fans week, whether they were listening to The Beatles, Bowie or Blur. The Sex Pistols sang about it, Nick Hornby claims he regrets not working for it and a whole host of household names Tony Parsons and Julie Burchill, Nick Kent and Mick Farren, Steve Lamacq and Stuart Maconie started their career writing for it. This authoritative history, written by former assistant editor, Pat Long, is an insider's account of the high times and low lives of the world's most famous, and most influential, music magazine. The fights, the bands, the brawls, the haircuts, the egos and much more. This is the definitive and first book about the infamous NME. Word count: 85,000

"[A] riveting history." nbsp; mdash; Philadelphia Weekly nbsp;
