**Various : The Huge Book of Classical Guitar Solos in TAB: Play Weddings or Any Gig with These Great Arrangements of Music from the Renaissance to Ragtime (Guitar)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Huge Book of Classical Guitar Solos in TAB: Play Weddings or Any Gig with These Great Arrangements of Music from the Renaissance to Ragtime (Guitar):

11 of 11 people found the following review helpful. Songs are great for students to learn but some arrangements are not good enough for professional settings. By Isaac There are many songs in here for different levels. Some of my favorites are Prelude of the Cello Solo No. 1, Recuerdos de la Alhambra, and Dance of the Sugar Plum fairy - they are

the reason for my rating of five stars. I think that the written music just above the tab manuscript is a great way for students to learn sheet music quickly. About half of the songs are not good enough for professional gigs, however. Shame that something called The Huge Book of Classical Guitar Solos doesn't have "The Harmonious Blacksmith", which is a very popular tune. 8 of 8 people found the following review helpful. If you read TAB By Viane Frye My daughter reads TAB more easily than regular notation and she plays classical guitar, so was happy to get this collection as a Christmas gift. She liked the great variety of pieces and is having no trouble with any of them. Good for her, great for me to hear her play! 0 of 0 people found the following review helpful. Broad selection, but questionable arrangements. By Edd The biggest disappointment is the false advertisement in the preview of the website where the "Arrangements by" includes a well-known respected classical guitarist, teacher (USC), and author Scott Tennant, but his name is absent in my copy of the book (see photo). It was a selling point for me on the book's legitimacy concerning musical arrangements, especially to justify the price. Overall, a lot of selections, large and sharp print, finger suggestions, reference pages on notation tablature, the book can stay open on a chair (sometimes w/ binder clip). The book's dimensions are similar to a binder (12" tall, 9" wide, 1" thick). Would I attend a class if this was a required text?: no. 4 stars because the arrangements are probably not one would expect, but there are some fun pieces.

Every guitarist needs a solid collection of classical pieces to successfully perform at weddings, private parties, restaurants, and other venues. The Huge Book of Classical Guitar Solos in TAB is your ticket to playing any of these occasions with ease. With over 150 solo guitar arrangements of the best-known classical pieces, this collection features both standard music notation and TAB to make learning the pieces quick and easy. It includes compositions from various parts of the world and numerous periods in music history---from the Renaissance to ragtime. With this book, you will be ready for every solo gig that comes your way.
