Gerald Hausman : The Image Taker: The Selected Stories and Photographs of Edward S. Curtis (Library of Perennial Philosophy. American Indian Traditions) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Image Taker: The Selected Stories and Photographs of Edward S. Curtis (Library of Perennial Philosophy. American Indian Traditions):

Featuring nearly 200 rarely seen photographs from Edward S. Curtis's masterpiece, The North American Indian, The Image Taker combines the little known histories and stories from 26 Indian tribes, transporting the reader to a lost

age.
