**John Williams, Robert Schultz : The Imperial March (Darth Vader's Theme)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Imperial March (Darth Vader's Theme):

I really enjoyed playing this. I haven't played it before, but it does sound very much like the original music. Because I got it on my Kindle, however it was difficult to read because of the tiny print. I would love it if Kindle would have a measure to measure view rather than whole page view for music.
