Highly recommend for anyone in the industry that wants to know more.2 of 2 people found the following review helpful. Essential guide for any novice producersBy C. VieiraThis book is not the most exciting to read, but it is packed full of useful information and guidelines to follow if you are interested in becoming a producer. It covers everything from pre-production to post-

production. Honestly, this is a very comprehensive guide full of informative anecdotes and great tips. I use this book often as a reference and strongly urge young producers everywhere to read it. Producing is an art and you should treat it as such. This book breaks the ice on developing the craft of producing. 0 of 0 people found the following review helpful. Five Stars By Ken Rich Gift that was requested.

Myrl Schreibman has written a comprehensive and practical, step-by-step guide for organizing and running a film from pre-production through post-production and delivery. This invaluable resource provides fundamental tools to produce a more thorough, more organized, and more professional film production. Packed with engaging and useful anecdotes, Schreibman provides a superlative introduction and overview to all of the key elements in producing for film and television. Useful to film students and filmmakers as a theoretical and practical guide to understanding the filmmaking process, Schreibman fills his manuscript with practical examples from his considerable personal experience in the film industry. Loaded with insider tips to help filmmakers avoid the pitfalls of show business.
