**Candida Baker : The Infinite Magic of Horses (Inspired Living)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Infinite Magic of Horses (Inspired Living):

In this beautiful book Candida Baker brings together a collection of heart-warming of true stories from horse owners around the world. These amazing tales are just some of the tiny miracles, magical moments, feats of courage and acts of sacrifice that are part of a horse lover's life. This book describes the extraordinary relationship between horse and human - with all its highs and lows. Whether you are a rider, a reader, or simply love horses, this book will delight, inspire and amaze you. The perfect gift for anyone who has ever been moved by the strength, beauty and wonder of the horse.
